

To all our lovely glassworking friends,

We are delighted to officially announce the Sonoran Glass Art Show for 2017! Our first show at Sonoran Glass was a great success, as I'm sure you've heard. The biggest "wins" of our first collaborative show effort came from SGS's proximity to many of the "Hotel Row" shows, allowing us to be on the City of Tucson shuttle route, and from the sales hours overlap with the Sonoran Glass Flame Off. We have created an improved plan for 2017 that provides more space for additional vendors, allows visitors to experience the Sonoran Glass School, and allows seamless integration with the Sonoran Glass Flame Off.

All spaces for 2017 will be within a heated tent that is attached, but dividable from the tent used for the SGS Flame Off on February 3. Both tables and booths will be available. We don't yet have a show layout; that will be determined soon.

If you would like to participate in next year's show, now is the time to get your contract in. We are limiting spaces to 40 exhibitors, and we expect to sell out booth spaces for next year quickly.

**Booth/ table rates are as follows:**

- \$825 for an 8' table
- \$1075 for a 10' x 10' booth

**Show dates & hours for 2017:**
